What did I do?

What did I do

**To deserve the life I have? **

**What did I do **

**To have no soul? **

**What did I do **

**To throw my life away? **

**What did I do **

**To find myself here? **

**What did I do **

**To myself, emotionally? **

** **

**I lost my life when I was young, not knowing the path my life would take **

**I lost my soul when I got inside, inside that blasted Gundam **

**I threw away my life when I knew no one cared **

**I found myself here when I awoke from my dream **

**But I do not know what I did to myself, I do not know **

** **

**All I know is I am heartless **

**A heartless killing machine **

**That's all I am **

**That's all I will be **

** **

**When will I find the path meant for me? **

**When will I find my soul again? **

**When will I find my meaning in life? **

**When will I find myself here again? **

** **

**One day I will know the path that is right for me **

**One day I will regain my soul again **

**One day I will find my meaning in life **

**One day I will find myself here **

**But I will never find my emotions again, even when my soul is back **

** **

I am a cold person

_With a cold dark life _

_I threw it all away _

_I gave my soul, because I thought I would be free _

_But I'm not _

_I am a cold person _

_With a cold dark life _

_ _

Will I ever be normal?

**Will I ever be friendly? **

**Will I ever find who I am? **

**Will I ever find my life again? **

** **

**I will never be normal, I will always be different **

**I will never be friendly, for it's to late for me **

**I will never find out who I really am, for I will never know myself completely **

**I could find my life, but I know not where it is **

** **

**I have long lived my life, but not known who I am **

**I have had many questions, but none of them answered **

I have found myself here before, but only as a small child

**I have threw my life away here, and I am determined to find it **

** **

I am a cold person

_With a cold dark life _

_I threw it all away _

_I gave my soul, because I thought I would be free _

_But I'm not _

_I am a cold person _

_With a cold dark life _

_ _

Someone tell me who I am

**Someone tell what my life is supposed to signify **

**Someone tell me how to get rid **

**Of this blasted Gundam they call **

Wing Zero

** **

I am a cold person

_With a cold dark life _

_I threw it all away _

_I gave my soul, because I thought I would be free _

_But I am not _

_I am a cold person _

_With a cold dark life _

_ _
